Timely notice will be given to the candidates concerned.

5. *If a candidate who belongs to and Indian State selects a centre in another Indian State, he should submit his application for admission to the examination through the educational authorities of the State to which the centre selected belongs, so that they may have an opportunity of disallowing the selected centre and directing the candidate to select a centre in the State of which he is a resident. When objection is not taken, candidates may conclude that their names will be registered for examination at the centres mentioned by them in their applications.*

7. No notice will be taken of the application of any candidate who selects a centre which is not in the above list, and *no candidate will be allowed to name more than one centre.* No candidate will on any account be allowed to change the centre of examination entered in his application, which must invariably be the place where he is employed or ordinarily resides or should it not be a centre, the place nearest to it where the examination is held. A candidate appearing for examination at a centre other than the one mentioned by him in his application must be prepared to have his examination cancelled.

8. Candidates whose examinations, either Written or Oral and Practical, cannot be arranged for at any place must, at their own expense, proceed to Madras or to the nearest centre where they are held in the subjects in which they appear. The Oral and Practical examinations in the subject will be held at those places only where satisfactory arrangements can be made for the conduct of such examinations.

NOTE.—To guard against disappointment in the case of Rule of the Oral and Practical Examinations as may be held after the Written Examinations, candidates are recommended to refer to Part I-B of the *Fort St. George Gazette*, from time to time, where no information will be sent in them.

SCALE OF FEES, WHEN AND WHERE TO BE REMITTED BY CANDIDATES.

9. The following is the scale of fees to be paid by candidates for admission to the examinations:—

	Lower grade.	Higher grade.
	Rs.	Rs.
For each subject	8	12

NOTE.—No candidate will be permitted to come up for examination in more than one grade in the same subject at the same time

10. (a) Candidates who are employees of the Government of Madras and who desire to be exempted from payment of the prescribed fees should send to, so as to reach this office on or before the dates specified under paragraphs 17 and 18, their applications through the head of the office, in which they are employed, together with a certificate from the appointing authority to the effect—

(i) that the candidate is at the time of the application undergoing probation and training and that the Government Technical Examinations (subjects with grade to be specified) is prescribed as part of his probation and training whether recruited direct or by transfer,

or

(ii) that it is prescribed as qualification necessary for the candidate to confirm in his post without penalty,

or

(iii) that it has been newly imposed on the candidate already in the service concerned.

(b) The applicants should furnish the following particulars also through the officer granting them the certificate for exemption from payment of fees:—

(1) the specific clause [vide (i), (ii) and (iii) above] under which the applicant's case is covered,

(2) if the applicant's case is covered by clause (ii) or (iii), the subject with grade for which, the year, the session (i.e., the month) of examination when, the centre where and the number of times he appeared for the examination availing himself of the concession of exemption from payment of fees; or if the fee paid was ever at any time previous to this refunded to him the year and the session of examination to which such refund related as also the amount of refund made in respect thereof.

(c) Certificates for exemption from payment of fees submitted by candidates in respect of previous sessions of examination cannot hold good for the session they are applying and no copy of certificate can be accepted. It is therefore incumbent upon the candidate to obtain one afresh from the appointing authority and submit the same along with the prescribed application form duly filled up.

In the absence of the particulars required as above, the applicants will distinctly understand that their cases will not be considered.

11. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Reserve Bank of India, and the receipt (supplied to candidates along with forms of application) signed and given by the Treasury Officer or the Reserve Bank of India attached to the application, which in every case must reach the Commissioner's office on or before the 10th August 1938.

12. Applications for admission to the examination submitted after the prescribed date will be entertained only on payment of a penal fee of one rupee each and no such applications will be entertained after the lapse of fifteen days from the prescribed date.

13. *On no account will the fees be received in the Commissioner's Office whether sent in cash or by Post Office orders. Neither M.O. coupon nor any temporary receipt that may have been granted, can be accepted. It is, therefore, incumbent upon the candidate to obtain a receipt from the Treasury Officer to whom the amount was sent and forward the receipt so obtained in time office at once, care being taken to see that this receipt also reaches the office by the date prescribed for the submission of applications. No application will be registered unless it reaches the Commissioner's Office by the date prescribed.*

14. *The fee paid will not, ordinarily be refunded nor will it be reserved for a subsequent examination. 18. To admit of the applications reaching the Secretary to the Commissioner for Government Examinations on the due date, candidates should mail their fees sufficiently early, even three or four days before the latest date so that the applications together with their enclosures may reach this office on or before the prescribed date for receipt of applications.

5 To give to prospective tenderers an idea about the nature and volume of work to be done and to enable them to quote suitable rates a schedule of approximate quantities is furnished. It shall however be definitely understood that the Government does not accept any responsibility for the correctness of the schedule and that it is liable to alterations, by omissions, deductions or additions. The several items of work noted in the schedule are to be executed as per the Madras Detailed Standard specifications or supplemental specifications for which reference is given against each. The tenderer should carefully study the drawings, specifications and all the documents relating to the work to execute which this tender is called for. These can be seen at any time between 11 a.m. and 5 p.m. on office days in the office of the Executive Engineer, Guntur division, Bezwada

6 The tenderer's particular attention is drawn to the conditions and to the directions to parties tendering, detailed on the K 2 agreement form and also to the sections and clauses in the Standard Preliminary specification of the Madras Detailed Standard Specification dealing with (a) Materials and workmanship—Section D, clauses 20 to 27 and (b) included in the contract rates—Section E and clauses 33 to 41 and 43.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., wherefrom certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other sources defined shall be used on the work. In every case the materials must comply with the relevant

standard specification. Samples of materials as called for in the standard specifications, or as in this tender notice or as required by the Executive Engineer, Guntur division, in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the sources defined in the Descriptive Specification sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer, Guntur division.

The Government will not, however, alter acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard 'Preliminary Specification' regarding payment of seigniorage, tools, etc.

8 The rate tendered should be for finished work *in situ* inclusive of all incidental charges connected with its execution and should be quoted in rupees, annas and in sums of three pies. The rates should be written in words and figures and the units in words. The tender should be written legibly and free from erasures, overwritings or conversions of figures. Corrections where unavoidable should be made by crossing out, initialling, dating and rewriting

9 Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

The Madras Medical Registration (Amendment) Bill, 1938 .. .. Page 129

Bill to be introduced in the Legislative Assembly / Council of the Province of Madras.

Under the proviso to rule 73 of the Madras Assembly / Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

A Bill further to amend the Madras Medical Registration Act, 1914, for certain purposes.

Madras Act of 1914.

WHEREAS it is expedient further to amend the Madras Medical Registration Act, 1914, for the purposes hereinafter appearing; It is hereby enacted as follows:—

Short title.

1. This Act may be called the Madras Medical Registration (Amendment) Act, 1938.

Substitution of new section for section 5

(3) The president of the Council shall be elected by the members of the Council from amongst themselves in the prescribed manner:

Provided that for a period of four years from the date of the reconstitution of the Council

under the Madras Medical Registration (Amendment) Act, 1938, the president shall be a person nominated by the Provincial Government and holding office during their pleasure, and where he is not already a member, shall *ex officio* be a member of the Council in addition to the members specified in sub-section (1).

(4) The vice-president shall be elected by the members of the Council from amongst themselves in the prescribed manner."

Amendment of section 6, Madras Act IV of 1914.

3. The proviso to section 6 of the said Act shall be omitted.

Substitution of new section for section 7, Madras Act IV of 1914.

4. For section 7 of the said Act, the following section shall be substituted, namely:—

Term of office of elected and nominated members.

"7. A member of the Council, other than a nominated president who is a member *ex officio*, shall hold office for a term of five years from the date of his election or nomination and shall be eligible for re-election or re-nomination."

Amendment of section 8, Madras Act IV of 1914.

5. In clause (7) of section 8 of the said Act, for the expression "clause (*b*) or clause (*bb*)," the expression "clause (*a*) or clause (*b*)" shall be substituted.

Amendment of section 11, Madras Act IV of 1914.

6. In section 11 of the said Act, after the first sentence, the following sentence shall be inserted, namely:—

"The names of the medical practitioners shall be arranged in the register in the alphabetical order, an asterisk being placed against the names of those who are entitled to vote at elections to the Medical Council of India under section 3 (1) (*c*) of the Indian Medical Council Act, 1933."

XXVII of 1933.

Amendment of section 24, Madras Act IV of 1914.

7. In sub-section (1) of section 24 of the said Act—

(*a*) in clause (i), for the expression "sections 5 and 6," the expression "section 5" shall be substituted; and

(*b*) in clause (ii), for the words "election of the vice-president," the words "election and term of office of the president and vice-president" shall be substituted.

Transitional provisions.

8. (1) The Provincial Government shall fix a convenient date on which the term of office of the members of the Council holding office at the commencement of this Act shall expire:

Provided that the Provincial Government may, from time to time, postpone any date fixed by them under this sub-section and fix another date in lieu thereof.

(2) The Provincial Government shall cause arrangements to be made for the election of members of the Council, and nominate members thereto, so that the newly elected and nominated members may come into office on the date fixed under sub-section (1) for the expiry of the term of office of members holding office at the commencement of this Act.

(3) No vacancy in the office of any member of the Council which is in existence at the commencement of this Act or which occurs before the date fixed under sub-section (1), shall be filled.

(4) If any difficulty arises as to the reconstitution of the Council in accordance with the provisions of this Act, the Provincial Government, as occasion may require, may by order do anything which appears to them necessary for the purpose of removing the difficulty.

STATEMENT OF OBJECTS AND REASONS.

The objects of this Bill are—

(1) to make the Madras Medical Council a predominantly elective body;

(2) to throw open the Presidentship of the Council to election after a period of four years; and

(3) to abolish distinctions between the different classes of registered practitioners and provide for a common register in which the names of all practitioners shall be arranged in the alphabetical order.

2. The Council as at present constituted consists of a nominated president, seven nominated members, and seven elected members. It is proposed to reconstitute it with twelve elected and three nominated members. The number of members who may be elected by the registered practitioners has been increased from five to seven and the staff of the two Medical Colleges at

Madras and the Medical College at Vizagapatam are each to elect a member. It is felt that nomination cannot be altogether dispensed with, as it may be necessary to secure representation for women, for medical missions and for groups of practitioners who may not be returned by election. But the number of nominated members has been reduced to three and it has been made clear that when making nominations, Government should bear in mind the need for securing representation for the classes of practitioners mentioned above.

3. Provision has been made for the Medical Council electing its own president after four years. Until then, he will be nominated by the Government and will *ex officio* be a member of the Council if he is not already a member.

4. The existing Act divides the registered practitioners into three categories, namely, (*a*) those who are registered under the British Medical Act, (*b*) those who are graduates in Medicine of the University of Madras or of the Andhra University, and (*c*) those who do not fall under either of the above categories. It is widely felt that this distinction is of an invidious character and should not be maintained. The Bill accordingly provides that all registered medical practitioners, irrespective of the origin of their qualification, should be placed on a common register and be entitled to equal rights.

5. Transitional provisions for bringing the new constitution into existence with effect from a convenient date have been included in the Bill.

T. S. S. RAJAN.

സിലക്ട് കമ്മിറ്റിക്കുവേണ്ടി ചെയ്തിട്ടുള്ള ഭേദഗതി അനുസരിച്ചുള്ള ബില്ലിനെക്കാൾ വളരെ പരിഷ്കരിച്ചതാണെന്നുള്ളതിനു സംശയമില്ല. എന്നാലും ബില്ലിന്റെ ഉദ്ദേശം, അതായത്, ഒരു ഇന്ത്യൻ കച്ചവടക്കപ്പൽക്കൂട്ടം അഭിവൃദ്ധിപ്പെടുത്തുന്നത്, ഇതുകൊണ്ട് സാധിക്കുന്നതല്ലെന്നാണ് ഞങ്ങടെ ബന്ധിതമായ അഭിപ്രായം. സമുദ്രതീര വ്യാപാരശാഖാഭേദം (ഇന്ത്യക്കാർക്കായി മാത്രം) നീക്കിവെക്കുന്നതിൽ കവിഞ്ഞ യാതൊരു കാര്യവും ഈ പ്രശ്നത്തിനു പരിഹാരമുണ്ടാക്കുന്നതല്ല.
